ABOUT ME

I specialise in storytelling, writing articles and reports for the media, and helping companies, foundations and philanthropy organisations to develop their digital communication strategies. I have broad experience in coordinating networks and collaborating with a wide range of stakeholders, particularly at an international level. My multidisciplinary background gives me a broad perspective and brings a wealth of experience to my work.

PROFESSIONAL EXPERIENCE

JOURNALIST

Freelance journalist and editor | 2016-currently

Focus on solutions journalism and human right perspective. Development, sustainability, environment, arts. Narrative journalism and investigative reporting.
Research projects. Experience of working in transborder stories and as a team.

I have received international research grants from Journalism Fund Europe (2023, 2025) and Earth Journalism Network (2023).

I collaborate with national and international media outlets, including EL PAÍS, France 24, Viajes National Geographic, Altaïr Magazine, Revista LATE, among others.

You can read some of my articles and reports here: <https://linktr.ee/RPeriago>

I was also responsible for editing and content management at Espacio Late (Madrid), a bookshop/café and non-fiction storytelling laboratory, during 2024 and 2025.
